October 16-18, 2018

State of Idaho DEQ

1410 N. Hilton Street
Boise, Idaho 83706
Phone: 208-373-0502

REGISTRATION DEADLINE:
Friday, September 21, 2018

REGISTRATION INSTRUCTIONS:

First Time Users (www.APTI-Learn.net):

1. Click on the “First time user? Click here to register” link in the upper right-hand corner of the webpage;
2. First screen requires: 1) work email address; 2) first and last names; 3) password; and 4) security question;
3. Second screen asks about affiliation/agency. There are two options for filling out this section:
 - Agency Quick Search, or;
 - Affiliation/Agency
4. Third screen includes a list of job functions and other profile information. You can click as many (or few) job functions as appropriate. Once you have completed this third screen, you are done setting up your profile.

After completing the profile:

5. Click the “Register” tab on the left side, or the “Register” bubble in the middle of the page;
6. Scroll down the Training Calendar until you see training course that you are interested in registering for;
7. On the right side of the table you will see a “register” link;
8. Click the “register” link (be patient it takes a few seconds for the confirmation note to pop-up);
9. You will receive an automatically generated email saying that you have been placed on a waiting list (this is so unapproved attendees can be weeded out).
10. Once approved, you will receive a second email saying you are enrolled.

Previously Registered Users (www.APTI-Learn.net):

1. Enter email address and password in appropriate spaces;
2. Go to step 5 (above) and follow directions.

ABOUT THE TRAINING

WHO SHOULD ATTEND: This course is designed for semi-experienced stationary source permit engineers, inspectors, regulatory agency staff, and environmental specialists in government.

LEARNING OBJECTIVES: Those completing this course will gain an understanding of the information associated with permit writing. The following topics will be covered in this course:

- Review of permitting
 - o Definition
 - o Types
 - o Authority
 - o Process
 - o Contents
 - o State permits
 - o SIP Authorized State and Local Preconstruction Review
 - o Delegated Federal Programs
 - o Title V
 - o Public Involvement
- New Source Performance Standards
- National Emission Standards for Hazardous Air Pollutants
- Toxics Issues

COURSE DESCRIPTION: This course provides hands-on training in the methods and procedures used to review permit applications and to prepare air quality permits. This course is designed for personnel of State and local agencies that have some experience in permit programs. The course is designed primarily for permit writers, but inspectors who must read and interpret permit conditions and make site inspections will benefit as well. Course material will address state and local permits, as well as Title V federal operating permits. Other topics covered will include Compliance Assurance Monitoring; Monitoring, Reporting, and Record-keeping requirements; and toxic air contaminant issues associated with permitting.

SPACE LIMITATION: Registration is limited to 30 attendees. Air quality staff from the fifteen western states receive registration preference.

REGISTRATION FEES: There are no registration fees for state, local or tribal air

quality agency staff. For federal employees the registration fees are \$100.
